Happy New Year !!!

We are excited about what the Lord has done through us and with us in 2011. We thank all of you for your blessed giving and prayers. We are amazed at the progress and the love that has been poured out at the Dream Center. We pray that you and your family be in health and prosper for the Gospel this New Year! We are committed to pray this year for each of our partners daily. All of our labors is because of your faithfulness to the vision and call on your life. Thank you!

We love you and even if we haven't met face to face, we know your names, your spirit of giving and your hearts as you are in our hearts daily. The long suffering to see all of these amazing works of our Lord come to pass. He only asks for Faith, and Steadfastness so He can move!!! Well, actually He wants your life lived for HIM!! May all that is good come to you! God is for you, He is with you and He loves you more than will ever be known on earth. He is in you! This new season that is upon us we pray you will stay the course as God moves on these reservations with new hope and new beginnings for the native children we serve.

2011 saw for the first time our new building filled to capacity. At one point we had 200 people outside waiting to get in because we were so full. Our Saturday evenings kids church has seen as many as 54 at a time. We have moved the children's church into the main sanctuary and are blessed to have Pastor Julie Weller to join our staff. She comes with years of teaching children about our Lord and Savior. At Christmas she coordinated puppet shows and skits. It was wonderful!

WAEM gave food and life essentials to over 1354 native families in 2011! Numerous kids clubs, spring and summer teams that helped to complete the new building was a joy! A basketball court went in for the youth this past summer as well as many other construction projects completed. WAEM served over 1800 lunches to the children in the communities over the summer months, as well as weekly BBQ's that fed hundreds of family's.

The Gospel was taken into the communities and given at the Dream Center. Lives came to Jesus and discipleship is progressing. We were blessed with "Outside the Camp" many times this past year. A wonderful team from ND that give the message of hope and gave great concert's for Christ. They joined us at Christmas!

So much is happening! So much to say, my, the ministry is blessed. In January we will have a prayer meeting for what comes next this spring/summer. We invite all of you to visit our website and fill out the form for volunteer teams and mail it in if you are interested in the 2012 season. The sooner the better as June and July are filling up! Happy New Year, love ya. Enjoy the pictures!
