At the Cross by the entrance of the Dream Center stands Jacob

When I saw this picture it touched me like no other. It symbolized to me personally why we are here. Because He Lives! The cross brings a startling reminder of His shed blood and the redemption power it holds. The cross is where Jesus died for all nations, tongues and tribes. Where Jesus said in His own words "it is finished." The cross has power that we need back in the church today. Just the simple act of going to the cross with all our burdens and pain will help energize us like nothing else can. To know that someone loves us more that we can imagine should enable us to share that love with others everyday. Go spread the Love of Jesus!!

Jacob is 15 years old. Just his name "JACOB" holds meaning as well, standing at the cross! He spends most of his days at the Dream Center escaping the violence, drugs and alcohol of his community. He is a hard worker, shy and wants a better life for himself, his mom and brothers. There are hundreds like Jacob. The Dream Center brings hope and love to these precious ones. The vision for **"Breakout"** the new discipleship program for the youth will enable the ministry to do just that in a greater forum. We need you to help us continue forward and we pray for God to bless you greatly as you look to the cross daily! "Seek ye first the Kingdom of Heaven....

Love to all, Lori

Wings As Eagles Ministries has served over 4,200 meals so far this year to native children and families on the Pine Ridge Indian Reservation

This was accomplished all on one stove, and outside!! We are thankful to all of our friends for helping us achieve this! We pray to do more with an indoor cafeteria coming soon!

If you feel led to be a part of this opportunity to bring the children indoors please contact us!

Currently and for years we put up tarps and use a propane heater! Sometimes the winds blow down the tarps but we have managed, well most times!

The cafeteria will enable the ministry to feed more children and at more times of the year. It will have seating for 200 and a new kitchen. That old stove has fed a lot of families with the talent of our staff cooks and God! This has been an *"All things are possible with God"* task for sure!

Our projected goal is by summer 2013. Pray! Thank you friends!

Happy Thanksgiving to all our friends!!

Wishing all our friends a peaceful and happy Thanksgiving!! Bring to your table this season the poor and lame, the hurting, needy and downtrodden! Bring Glory to the Father in doing so! Let's make a difference! Love because Jesus loves you! Forgive because Jesus forgave you! Give because Jesus gives to you! He has given us eternal life, that's big! Pass it on! He has commanded us to do so!

Christmas Dream Box!

*Don't forget to get your gifts in for the Dream Center Christmas this season! Last year over 2,800 children received gifts because of the ministries friends and partners! All the information is on our website under Get Involved!! The smiles of the children will be endless and worth every minute! You may also chose to save shipping costs and send a **Walmart gift card** to the ministry! God Bless your Giving!!*

The children came with us to speak at a partnering church in Colorado!!!

In September I spoke just outside of Denver and took seven of the native children with me! They had such a great time! Seeing Denver was amazing for the children, all the traffic and tall buildings especially. The drive was long but they were awesome! McDonalds was a real highlight! They were just so excited about everything they saw and wanted to stay longer. The church was so gracious in hosting the children with families over night. They made many new friends and experienced a new environment. They took them for dinner and the kids got to speak to the church body. We pray to be able to do this more giving them a greater hope for their future!

Circle of Love, Children's Village

Keep us in prayer as we go forward in this huge step of faith and God's grace to bring the children's home to the Dream Center. God's children are His heart. Abused, forgotten and hungry are these beautiful ones. The ministry is in the process of reaching out with this vision. We are meeting with state, tribe and contractors at this time. Please keep this in your prayers. The Circle of

Love is a critical need on the reservation. The ministry prays for people and finances. Together we can do all things through Christ Jesus who strengthens us. Amen and Alleluia!
