Happy New Year!

Our prayers for you and your family is for your year to be blessed with peace and wisdom and may you and your family be safe in the days to come! Thank you for providing a wonderful Christmas season for our little ones and the native families. We provided over 3,000 gifts to the Lakota children, teens and elders. We saw lots of smiling faces! We are grateful to all the volunteers who came from as far as Florida, Oklahoma, Missouri, and Colorado to be a blessing. Thank you partners and friends for all you gave, we love and appreciate each gift that was delivered and we know it came with lots of love! There are so many stories of God's love reaching out through our Christmas at the Dream Center. One grandmother came to me with tears in her eyes, tattered and needing a hug. She said "I could not provide anything for my 8 grandchildren, I raise them you see and I am old and I want to thank you and all the people who gave these gifts for our children." The team also took gifts into the streets of Potato Creek, which is in a deserted area, a little village, far off. We did Christmas caroling in the communities each day and gave cookies and goodies to the families, sharing the Hope and Love of Jesus Christ to the poorest communities in America. We could not have provided such a joyful and great outreach without you! We love you! Jesus loves you!!

Enjoy all these sweet photos! Your giving makes it happen! "Give and it shall be given unto you." Thank you Jesus!!!

Upcoming plans for the Dream Center this spring/summer season.

Please keep us in your prayers as we plan and are guided by the Lord this coming year. So much to accomplish. We want to be led by Him in all we do. The Lord Jesus is the reason for our journey, to bring hope and salvation here on our reservations. With the suicides of the youth so prevalent on Pine Ridge we ask you to keep us and the youth protected with prayer. These little lives to grow up hopeless and want to die is an abomination. So we continue to be grateful for your faithfulness to the call, your continued giving on this journey. Lay down your life for your brother, that is His message. God Bless you!
