Wings As Eagles Ministries Newsletter

Despair, poverty and shame abounds but Christ's love abounds more!!! That is why we are here. Go with us as we go into the forgotten communities here in America. Pray for the Lord of the Harvest to send more laborers into the fields.

Pray for the upcoming gatherings and projects to help fulfill the vision at the Dream Center! So much in such a short time has been accomplished by God's faithfulness and love. Look at this boy's happy and glowing face at "Breakout". Excited to be a part of God's hope for them!

"All things work together for good to those who love Jesus"

We have been slowly recovering from the break in and are more than confident of our calling. We have stood and are now more determined than ever to conquer the dark forces that enslave here on the reservation. There can no longer be a dark cloud when light has come! Thank you to all who gave to help us to get closer to obtaining some missionary housing to the Dream Center. WAEM has raised \$21,350.00 towards the hope of staff housing! We have \$52,000.00 more to raise and we can make it a reality! PTL! Keep praying !! Love you all!

In contrast to the youth on the left, the little one on the right tells a different story.

"Breakout" youth gathering!

"Breakout" youth discipleship program was a huge success and a slap in the face to the powers of darkness here on the reservation! Over 63 students age 10 and over attended. WAEM served pizza to all! The University of MN Christian Fellowship did amazing worship that really got the youths attention. As we watched our visions come true with the Dream Center full of spiritually and physically hungry precious pre-teens and teens. Testimonies, prayer, games and teaching of scripture led them to want to be a part of this amazing new gathering of youth. Thank you all for giving. It would not be possible without God's people.

Many asked for prayer and was very open to the gospel and seeking truth. The positive environment and God's love brought them to a place of security and hope for a night. What a miracle start. So many for the first night, amazingly God!
