Your help is appreciated as we have an urgent request for a Civil Engineer and Architect at the Dream Center.

Our partnering churches are coming along side to help with the pastoral

home, cafeteria to feed so many more in the winter months as well as summer, bath house for showers and more toilets, and to begin the "Circle of Love" children's home!

In doing so we need professional volunteers to help with the layout of sewage, water and electric and a drawing. So vitally important!

It is for ministry benefit only and not a state requirement, as we do not need permits or does it need to be stamped.

If you know of anyone who may be able to help please spread the word or if you are one of these professionals we would be grateful for your assistance!

Helping Native Children Grow Providing a Positive Environment

New Playground equipment this summer thanks to our great friends at Good Shepherd Lutheran Church in Wisconsin! The youth raised the funding all year to help bring another fun play structure. We will be adding a new piece for the children to romp and play! Also adding sand for the playground area and volleyball court. Our location in the desolate Badlands on the reservation makes it a challenge to have rock, gravel and sand delivered to the site so keep this in prayer as we do need a helping hand for this endeavor. The Good Shepherd Lutheran youth are coming to also help install the new structure in June!! Awesome!!

SUMMER KIDS DREAM CLUB

We are so excited about this years Dream Club for ages 5-11 years old and the new "Breakout" Discipleship for ages 12 and up! "Breakout" is about going into the streets of the communities with hope, love and good times for the students. Playing basketball in the communities building relationships and each day taking them a healthy lunch. Then on Thursday's bringing them to the Dream Center for a fun filled day in the game room and learning of Jesus Christ and His love for them. Ending the day with a pizza party!! *We even have new "Breakout" t-shirts for those who attend!!*

The Dream Club is our yearly summer fun for the kiddos. The Dream Center bus picks them up in the morning serves, snacks and a hot lunch and then returns them in late afternoon. Our teams teach them of Jesus. They do skits, crafts, music and so much more! Thank you for giving to help with all the expense for hundreds of children who attend!

Children gather around the platform by the Tree of Life to sing and listen to the message of hope!

Give Love and Bring Hope In Jesus Christ!
