**"BREAKOUT" IN THE
STREETS AND AT THE
DREAM CENTER**

**Wow!! What an
amazing
Summer Season!**

Our summer teams were so great! Many accomplishments such as a new bunk house to provide for the teams that come to serve, and homeless children and families in the winter months who need warmth. A new septic system is in place for a new bath house! Lots of new trees and a shade pavilion at the playground for the kids. Amazing love was shown to the youth and a lot of hard work was planted at the Dream Center and in the streets of the communities this year. We are so grateful and blessed to our friends and partners who sustain the works of our Lord here at the Dream Center. Exciting times!

"Oh righteous Father, the world hath not known thee: but I have known thee, and these have known that thou has sent me." John 17 v. 25

"Breakout" for our native teens has seen tremendous fruit and growth in a short time. God showed us over the years that the seeds of His Word we planted in the youth when they were young is bringing forth blossoms! We have done that with your constant support. These children are coming to know the one true Lord and their Savior Jesus Christ.

PICTURED ABOVE to the left is Tristan, with Pastor Brian from OK. Tristan we met in the street when he was only 8 years only. Tristan is now 16 and during a Breakout session he asked to receive Jesus in his life.

One of our partners from NY, Peter, came to visit Tristan over the years and watered seeds those planted in his life. Every summer he asks if Peter will be here! Orin, pictured right also asked to have Christ in his life during "Breakout". Pictured with Orin is Chris, from Liberty Faith Riders, his team came and helped reap the harvest that is plentiful! With the help of God's people it is evident that our Lord is working through His Holy Spirit to see this nation of children to know Him and to have life eternal. Thank you brothers and sisters for your giving. Love you!

Jacob, 16 taught himself to play piano at the Dream Center. He wanted to be able to worship with us.

Wednesday night BBQ's is also seeing record numbers of families in need of food and a change of environment. Families come to the Dream Center or jump on our bus. We pray that the increase will bring all Glory to our Lord and everyone will Praise Him for this huge summer season of incredible fruit and giving! One family said they have never seen anything like this on the reservation before and were so amazed at how we could feed so many and make so many kids happy . So.... we told them about JESUS!!! He is the one and only one who could do this through imperfect people, like us and in our weakness He has proven strong!!! **Our only hope is they will have hope that is only found in Christ.** Love you!

Thank you for helping us feed hundreds of hungry children each week hot lunch each day! We are seeing the Dream Center really be part of the community after so many years! Record number of children coming to receive love, hugs and be in a positive place for them to grow!

"for when I was hungry did you fed me?"- Matt. 25
