Wings As Eagles Ministries Newsletter

There are no words just pictures that tell of the great advancement for Christ in these precious lives! Thank you for helping the ministry bring life!

SUMMERTIME FUN IS WINDING DOWN..

Winter fun begins!!

We can do all things through Christ who strengthens us!! Nothing is impossible with God! Let us be a witness to the power of His grace and mercy! We are only worthy through Jesus Christ our Lord to walk in His way and become His hands and feet to a dying world. What an amazing summer and so much coming to the ministry this fall and winter. We continue in the winter months feeding the hungry along with prayer gatherings and discipleship in which only God can provide the means to accomplish.

Christmas is coming quick and we will have our "Christmas at the Dream Center" on Dec. 13th and 14th, with additional outreach in Potato Creek as we do each year. Christmas caroling in the communities and baked goods going out to the families too! More on how you can get involved in the September newsletter that will be out to you in October. God Bless you and thank you for all you do for Christ.

"Circle of Love" Update

Please continue to hold this endeavor up to the Lord for provisions to begin the breaking of ground for this vital need. We pray for the opportunity to bring a loving children's home to the reservation. We have designated 20 acres of land at the Dream Center for just this purpose. Teams have stood and prayed on the ground in which the first home will be built. Stand with us and continue to be in intercession for good tribal relationship with Child Protection Services, and for God to accomplish His will through Wings As Eagles Ministries for the children. Some have given to start our funding for this miracle home!

We would like to make a drive into the designated area and place a sign by faith to announce the "Circle of Love" future home. We did this in 2006 with the Dream Center before anything was there! We did not have water, electric, nothing but barren land and look what the Lord has done! Proclaim His Glory!!

DREAM CENTER EXPANDS IN OCTOBER ALL TO THE GLORY OF OUR LORD!

Praise Jesus we will have the beginnings of staff housing in October! Our precious partnering church in Wisconsin and some individual partners experienced in building will be arriving to put up two metal structures. This will begin the process of a place for staff to reside on site. A vital need for missionary staff to be on site to further expand outreach efforts is so very important to handle the growth we are experiencing. The challenging remote location of the ministry, with available housing 100 miles or more away, makes missionary staffing extremely difficult. The gift of these metal structures for housing was lovingly given by Crossroads Presbyterian Church and received with joyful and thankful hearts! We have prayed and God is faithful!

World Vision just donated to the ministry 3 semi loads of home insulation!! We were able to bless the Lakota Tribal housing with most of it to help repair many native homes.

To move forward after the team has constructed each building to pour the concrete floor, plumbing, electrical and to begin the inside finish work additional funding is needed! We have bids for concrete floor and plumbing total of \$24,000.00 for each structure.

Join the gift of Crossroads Presbyterian Church and get on board to make this happen!!

We are praying for 24 people to give a gift of \$1,000.00 to help provide a place for missionaries to live at the Dream Center!!

*God Bless you as you give!!!
