Happy New Year!!!!

Hope all our friends and partners had a wonderful and amazing Christmas season. We are so grateful to each of you for a successful year and a big year ending with our Christmas giving. You all help make this happen and we thank God for each of you. Enjoy the beautiful pics and the amazing love that you sent each child. So many stories of children who only received your gift and how grateful the families were. Thank you for the huge support in bringing Christmas to Dream Center. We pray for you to have New Year with Gods protection and peace. Love you!

Packed the Dream Center each night! Christmas in the streets at Potato Creek and Wounded Knee too!

The Sweet Story of Jacob

Jacob receives his new piano from Wings As Eagles on Dec 18th.

Jacob started coming to the Dream Center when he was 11, now 16 years old he just keeps amazing us. Jacob would never talk and only kept his head down. He is from the village of Evergreen. He has learned of God's love and has grown up to be like a son to us. He had a dream when he heard Gary play worship to one day play with Gary. Though he knew not an instrument. One day last year he kept eyeing this donated older piano on the platform. He would walk around it and then one day he sat down and started hitting the keys. It was so cute, when anyone would walk in he would jump up and stand there. To say Jacob was shy is an understatement! Since then Jacob has taught himself the piano and it is a miracle what Jacob plays. Any team that has come to the center knows Jacob now performs for them! He plays Amazing Grace just to name one. He plays with Gary now, or lets say Gary plays with him! He also is writing songs and believe me they sound like they are coming from the Throne room of God.

So....for Christmas the ministry bought Jacob his own digital piano with the works. I wish you all could have seen him. He set it up, sat down and the smiles and giggles where so sweet.

Jesus loves these children so much and just one life, like Jacob that would be saved makes all our efforts worth it. Jacob now talks, performs and even over Christmas did a Christian Radio interview in Rapid City with us. He is going to be a concert pianist one day. Pray for Jacob to continue on in God's strength and keep focused on his dream! Thank you God for saving Jacob and bringing him to life. Jacob told the radio station the Dream Center brought him to life!!! AMEN!

Lori at the Cross

My eyes wonder at the goodness of our Lord. The total surrender of my life has proven most difficult to say the least. But to see His grace and mercy upon us makes me stop in awe at something so big and greater that holds us. My journey to the cross has been a long and hard one. Only by His love... which at times crying to my Father... can I realize His faithfulness. Broken and ashamed, put down and cast aside through my 19 year journey has created in me a desperation to hold on tight to Jesus. Thank you my friends for standing with us and helping to make this journey, though a tough one, a whole lot more graceful. ~ Lori
