We are almost there!

Given-3,250.00

Needed- 3,580.00

Thank you to all who GIVE!

Sometimes pictures is all you need to spread love and joy! The Lakota children are blessed by you and your giving. We could not do this without you. Our teams bring the labor so desperately needed and the love that spreads here on the reservation. In the most difficult place in America we are witnessing the love making a difference in their lives. Wish all of you could come and join us one day and let these little ones hug you! Please continue to pray for the thousands of homeless children and the finances to bring the "Circle of Love" children's shelter to the reservation. We love you and thank Jesus for you daily.~

Letters from teams across the country that come to serve! Enjoy!

Lori,
Your story is unbelievable. You've been through so much. Yet you keep pushing through. Your ministry works wonders and I'm so blessed to have been able to come here. You and Gary truly are amazing. I'll be back for a 4th time next year!

Hey Gary and Lori!
Thank you for helping my newfound brother and sisters in Christ here at Pine Ridge. I think you guys are really making a positive difference here. And thanks for not giving up, after hearing your story I respect the work you're doing here so much more after hearing how it came to be. Thank you!

Lori.
Thank you so much for helping us this week by showing us God's love and sharing this amazing place with us. The things you are doing here are so impactful and inspiring. I hope that I can help kids suffering like you do someday. Thank you.
Love Natalie

Lori and Gary,
Thank you again for all that you did for us. It was so wonderful serving the Lakota people and you again this year. I will be back next year, God willing.
Many Blessings to you both, Dave

Lori and Gary,

Your story never ceases to inspire me. Last year was my first trip here and your story has stuck with me ever since. It's amazing how the kids love and respect you here as well. What you guys are doing through God here is truly awe-inspiring. And the relationships made here are amazing as well. I met Jace from Kyle last year and he is back again this year and we're just as close. And with Nathan and Jacob you guys have changed their lives. Through God you two and the Dream Center are making a big impact on this reservation. Your work inspires me to want to make a change somewhere the way you guys have.

Love,
Ashley
