BREAKOUT JOURNAL "Nena"

A journal entry written by Nena, one of our 13 year old's, who has been coming to the Dream Center since she was 8, is our spotlight this month. We prayed about sharing this with you and we will. It will help you in understanding what these children face daily and how the Dream Center is having an impact on their lives. ***Nena is the first girl speaking on our new DVD, which you can view at our Circle of Love Children's Shelter web-site www.circleoflove.today***

Nena, during one of our Breakout talking circles for teens, wrote this in her journal for the day. We find this so important that we are dedicating this newsletter for Nena and sharing her journal page on the back side of this newsletter for you to read. She chose life! ♥
