JESSE DODGE

A little note of gratitude to all of our partners! We pray everyday for our you! Keep standing in the gap for the Lakota children and this ministry in prayer please. We could not have had the longevity and endurance to pave this path and help enlarge Gods Kingdom here on earth without all of you! **THANK YOU!**

## MESSAGE FROM BRIAN, PROGRAM DIRECTOR, THE DREAM CENTER ON PINE RIDGE.

**Here at the Dream Center we are excited to begin our summer season! A whole bunch of activities for the youth of the Pine Ridge! We have been cutting grass, cleaning, painting and re-doing the floors for the youth to have a clean Center! Busy, busy, we have been so that the teams and children will have a safe, comfortable place to lean and grow...as you can see we are excited and even Jesse is waiting for the fun to begin!!**

**So let's be led by Christ, spread His word and share what we know with each other. Let's work together to spread hope and give our Lakota children a future. Through eyes of Christ and through His Leadership let us make a difference. Thank you, Brian.**

## Staff Bible Study

**"we shall walk by faith"**

We have been blessed to be able to employ the Lakota Youth and Young Adults, giving them hope and stability. We try to instill a good work ethic as well as reliability. Jesus said teach them to fish, and they will have meat for a lifetime not just give them fish for a day! We live by His example, teaching, and giving them life skills and training. Not all want to learn and we do go through many, but those who do stay and work it through and learn we will continue to give opportunity and teach. Please pray for this aspect of the ministry. We are one of the only ones here, who do try and keep Lakota Staff, to come along side of us and grow. It is a huge step of faith for us, but we continue to hope that God will supply the resources to continue this very important part of the ministry. God Bless you all!

## Summer Children Feeding Program

We are preparing to feed hundreds of needy children again this summer. Last summer we fed children 85-122 children a day a nice hot lunch! Your giving to feed the kiddos is much appreciated! God Bless you!

Bringing Love and Hope

## *A Big Shout Out to Geoff and Laura!*

For providing the means to receive tile, cabinets and paint coming to the Duplex this month for housing staff! We are praying for missionary staff to come help and serve on the reservation and now the Duplex will be finished, just about! Pouring the little patios and front porch and getting appliances and countertops will make this finished livable space for missionaries! We are almost finished!! First Baptist Church of Jefferson City, Dale and his great skills placed vanities, sinks, and showers! Love to all of you for helping to make it possible to have a place for missionaries!

# Let the Summer FUN begin!

*For the next three months Wings As Eagles Ministries will be holding Kids Bible activities, BBQ's for the communities, worship gatherings, Breakout Discipleship building and bible studies. We ask for your prayer covering for the teams and all that we do. For unity in the Lord as we labor and many to open their hearts and lives to the Word of God. Pray for our witness to be that of love with transparent hearts and overflowing joy in Christ Jesus. Times on the reservation can and does become overwhelmingly dismal and tough, but with your prayers and Gods continued Grace this summer season will produce long lasting fruit. In Jesus Name! ~Lori*

## Circle of Love Children's Shelter Update

Breaking ground on the Circle of Love Shelter is a vision we have shared with you. We know it is in God's timing, He sees the heartbreak and vital needs of the homeless and misplaced children here on the reservation. Reaching our goal of \$36,000.00 has not been realized as of yet. We still have a desire to break ground this summer if we can raise the remaining amount for the groundwork to be completed to begin the building process. Water lines, septic system, civil engineering plans and concrete foundation for the first building to be moved to the site. We also checked into a metal building kit, which may be more cost effective.

\$28,000.00 is yet to be raised which would allow us to move forward. We appreciate any amount gifted.

God Bless you!
