This month is the celebration of Love. Though we celebrate Christ's love all year! We are focusing on greater efforts to break ground this summer for the children's shelter. The cost financially is great, together and in God's amazing love it will happen for these hurting children. We are still working on funding and are still short to be able to obtain the help needed for the road, water system, septic systems and electricity to the site. We ask for you to stay with us on this journey and keep praying! We appreciate you, those who have stood with us and have witnessed the absolute miracles the Lord has done here at the Dream Center over the years.

Currently WAEM keeps families and children for a short period in our bunk-houses. This is your temporary Circle of Love, the Lord said to us. Electricity, food and heat costs for the ministry is quite high during the winter months. We are grateful to you for supporting this effort to help families in time of need and extreme cold. WAEM with all of God's people can change the destiny of many of these native children left out of society and living in despair. Thank you, keep you posted on the process. Let's do this, yes we can. Love you, Gary and Lori

## **Furnace is back Operating!**

**To the precious ones who gave to help us restore our broken furnace we are forever thankful!! You all are super partners! The sanctuary was super cold and of course it broke down when temps were below zero with wind chills -30. December and January was super trying to say the least, with high snow falls too!**

**Praise Jesus, it is now running and warm! Lots of love and hugs to all who came to our aid.**

## **Breakout**

April 1st and 2nd teens will be heading to Denver for a great time with Grace Presbyterian Church. They will be hosted at the church by Grace Youth Group for a sleepover and dinner. Sunday they will attend services, share their stories and fellowship with the congregation. Thanks Pastor Matt and Grace for this yearly opportunity to bring our teens on this Breakout Trip. If you would like to give to help us with food and fuel that would be awesome!

Keep these teens in prayer who will be with me on this trip that Jesus will heal their broken hearts and give them vision and hope... Nenah, Emma, Rosa, Griffin, Gunar, Macen, Morgan, Rose, Wanbli, Cass, Laine, Josiah and Ecoffey.

God Bless you for your prayers.

# **Great News and Happenings!!**

## **Cafeteria coming to the Dream Center**

Good News, a long awaited project may be ready to take on life! For years we have fed the native people's outdoors even in the winter months. Sometimes placing tables around the fire pit to keep warm or a tarp around the pavilion. They never complained and was grateful for a meal. Babies wrapped in blankets and seniors bundled up, but we managed. With the sub zero temps we have had to cancel many times we could have fed the families a hot meal.

A church contacted us the first of the year to ask what project they could help with this year and take on. Well....we told them! They have agreed to take on the fundraising and we get the workers to make this happen before next winter. God knows what you have need of!!! Pray for this please!!! Lots of love, Lori

**A huge hug to Tiospaye Ministries, NJ for sending financial gifts to WAEM to help our families on the reservation purchase propane. A propane fund has been set up by Tiospaye to bring vital help to seniors especially those taking care of their grandchildren. Thank you!**
