Bring Love to the World

Footprints in the Mud

I want to take the time to thank all of our partners for their hard earned giving throughout 2017. I have always said that we have the best partners in the world. We also want to remind ourselves that Christ and His redemptive work on the cross is the reason for the season. As we give and receive gifts this Christmas, let's remember that the giving of presents is in celebration of the birth of the Messiah who would save fallen mankind from their sins. He has offered us a way to the Father if we will follow his commandments out of a deep love and a pure heart for him. This is the greatest gift of all! This season is an opportunity to display the love of Christ to a world that is falling further and further away from God and his principles that we were meant to live by. Let's become the presence that we were meant to be to draw as many as we can to Him. We wish you all a very merry Christmas and a happy renewed new year!
