Wings As Eagles Ministries Newsletter

God is love, and love is what the children who come to the Dream Center receive so they can flourish, as God intends! We thank Him each day for the opportunity to love on the children and families. Our journey is continuing strong, prayer covering is needed for the ministry. Ministry does not come without challenges, as we all know! We love and appreciate you standing with us in all things and providing the necessary gifts to lift up our hands in Victory!

The Dream Center Is Where The Heart Is

These sweet children need you all more than ever. Meth is rampant and abuse is at dangerous levels. We love and appreciate any gift you can send. The operational expenses are tremendous and your financial consideration is needed. Thank you. Love you all so much!

Feeding a hot lunch to hundreds of kids each week.

This little one brings gifts to me (Lori) each day. Some days rocks or flowers. Love her so much.

What they are saying!

*Summer Series for June,
July and August*

The Dream Center is a place of happiness and laughter. When I think of the Dream Center I see the smiling faces of the kids, I hear the screams of laughter and joy from these kids. To me the Dream Center is a place where any kid can come to forget the worries of home and simply be a child and have fun.
Alecs age 19, WI

One of my favorite things about the Dream Center is seeing the kids have fun in a safe and comfortable place. The creativity and imagination that I've seen in them is amazing, and I think the Dream Center enhances that. Being in a place like this is not only great for them, but it makes me a better person as well. I'm already looking forward to being here again.
Chaz age 21, WI

The Dream Center is an amazing place to give kids hope and give life to their dreams. It's great to see how creative and kind the kids are, but how they are so different. No place I'd rather be in the summer!
Hannah age 16, KY

Projects are full speed again this summer! Waterline and septic was put in on the staff housing, on the hill.

New electric line to the bunkhouse. New baptismal and prayer garden will be placed in July as well as a sand volleyball court for the kids! (Pictures coming soon) Windows and doors going in also on the staff housing on the hill as well as framing. We have a brand new entrance to the Main Bldg. New trees in June and landscaping, newly painted picnic tables and concrete at the kitchen, eating area finished in May. New tile in kitchen and baths. Pray please for the following:

Circle of Love sign to be completed and placed. All roads and infrastructure (septic, water lines) for Circle of Love to begin. Indoor cafeteria. Pray for our basketball arena team who is working to raise funding for that project as well. God is a big God.

Your Giving is changing lives not only on the rez but nation wide! Stay with us please!!

Of all 23 years that I have been on earth, the best choice I've made was to come to the Dream Center. The Dream Center is a place where everyone who comes becomes one. Anywhere from the amazing leaders and volunteers that the Dream Center has staffed down to every last beautiful child that arrives on these buses; everyone is welcome with open arms. This will be my fourth year coming back to this holy ground and I can't a year in my life without it. With every year that goes past, more and more heart gets poured into everything that is done; from the delicious snacks to the creative crafts that are done by the kids. The Dream Center is a lot of things to a lot of individuals; safety, play, learn, grow.; but for me it is a place where dreams are built and a place that I can call home.
