Throw back to 2002..... Gary and Lori, their second year on the Pine Ridge Reservation at a very old falling down church building we rented that was empty. We came from the Wind River Reservation after 7 years there. God is so good to us, we had nothing but our camper and the churches (very few) who knew us sent us food boxes and clothes for Gary and I to eat and wear. ( I think Gary still wears that jacket! haha!! )

Luke 8 v 5-8

A farmer went out to sow his seed. As he scattered it across his field, some seed fell on a footpath, where it was stepped on, and the birds ate it. Other seed fell among rocks. It began to grow, but the plant soon wilted and died for lack of moisture. Other seed fell among thorns that grew up with it and choked out the tender plants. Still other seed fell on fertile soil. This seed grew and produced a crop that was a hundred times as much as had been planted. When he had said this, he called out. "Anyone with ears to hear should listen and understand."
