Wings As Eagles Ministries Newsletter

A Hug and a thank you to all who came and served with us this summer! You loved, cried, laughed, got real dirty, prayed, labored in the heat, lived through the storms, fought mosquitoes and through it all you kept your faith and smile! We pray you don't forget us and keep remembering and praying. Our prayer is your life was changed and inspired to pray harder and love harder. Love you and the community of the church who supported, sent and prayed...until next summer.....

Thank you to Casting Crowns Contemporary Christian Band that sent their t-shirts and sweatshirts for the Lakota families! The kids loved them so much!

In August we took it to the STREETS

The ***Dream*** continues and is real for these children. Each day we see children come to the Dream Center troubled, struggling with all they have seen and experienced at such a young age. It is evident in their eyes. Some act out in anger, some silent, some open up and share their pain. The Circle of Love is still the dream for so many to live in a safe place away from alcohol, drugs, incest, abuse and crime. These children we speak of do not live with parents nor grandparents but are in serious life altering situations that only the Lord can change. 90 percent of the kids are in deep poverty on the reservation, with many homeless or in foster care.

## ***The Dream***

The struggles and pain are real, they need help and so much love. We will not give up the dream and will continue to find ways to improve the capabilities of the ministry long term. Yes, we have made many inroads to recovery for some of the teens. We would love to do more, be more and provide more opportunities for these children. So many dreams, with you we can make come true. Please continue to pray for us to have wisdom, strength and divine inspiration to continue the race. We thank you and love you for standing firm with us and never to give up .....you all just pour out His grace upon us!
