Wings As Eagles Ministries Newsletter

Greetings in this New Year ! We are praying for each of you this month as we begin a new glorious journey in our walk with Christ. It is a troubled world around us . As we grieve all of the grave changes our nation is making toward a godless society , we must keep Christ as the center of our being , our world , our family , shouting louder that ever before of His salvation message . We must Go into all of this nation and bring His love and call for repentance . That will be our message to the Lakota people this coming year . Repent and be healed in the Mighty Name of our Lord and Savior, Jesus Christ.

We thank each and everyone who has continued on this long journey with us, sometimes joy, sometimes sorrow but always staying in line with what Christ has brought us to the reservation to do . Maybe not as quick as we 'd like or as grandeur as some would like to see, and not without mistakesbut always in the Lord. .

Would you keep the ministry in your prayers this coming year? Prayer for feeding the children, mentoring teens

to reach their God given dignity and purpose. Many need healing from abuse and so many other life threats.

Jesus is the only One who can...

"And they that shall be of thee shall build the old waste places:thou shalt raise up the foundations of many generations; and thou shalt be called. The repairer of the breach, The restorer of paths to dwell in." Isaiah 58:12

Feed the children

The ministry feeds 85-150 children a day a hot lunch in the spring/summer months each year. We are beginning our fund raising efforts to reach our goal of 15,000.00 to bring healthy, hot meals to the children. If you are interested in supporting this mighty undertaking that would be a blessing!!!

Circle of Love Update

Good News! In January we were notified by Child Protection Services, on the reservation, that they would like to meet with us to further a better relationship with the ministry! God knows what He is doing! We are holding close to the funding needed to begin to break ground. Not super close, but close!! Keep praying! The tribe is still excited to work with us in providing much needed shelter for homeless and misplaced Lakota children. God Bless you all and keep this close to your hearts in prayer. Love you!
