Dream Centers muddy van! yay!!

The ministry bringing food and water to stranded families.

Resurrection Sunday at the Dream Center. The teens spent the night at the ministry the night before helping to get ready! He lives!

Walking like Jesus to bring food and water to those in need. Matthew 25

HOPE.....our journey continued this month, a month of pictures to show our desire to walk as Jesus walked amongst them, to always be used...available to bring His hope. Harsh reality is that there are still Lakota families stranded and hungry after the harsh March and April flooding. Thank the Lord we have you all as partners and friends on our team! You have shown so much love through your prayers and giving.

As we gear up for our summer feeding program for the children, with still so much clean up to do this spring, we will carry with us grateful hearts knowing you are with us. Love you~~~ Gary and Lori and the WAEM team

Team Rubicon headquartered out of Los Angeles arrived in April to work with the Oglala Tribe repairing the damaged roads and assisting families that are stranded in their homes. We are honored to host this team of veterans and first responders at the ministry. They will be with us through the month of May as well. God is so gracious to the ministry to support so many Lakota families by engaging in partnerships to bring strength and hope to the reservation.

A picture below shows the wonderful people who make up Team Rubicon. They came with equipment to get the job done!

More food boxes going out weekly!

UPDATE!!!

Thank you so much! We were able to get that washer and dryer! laundry soap too!
