Indoor Cafeteria a great need at the Dream Center. Since 2008 we have fed the children and families outside at our little pavilion. Feeding hundreds of children in the summer rains, winds and winter storms have been challenging.

Our hope is many will come on board this project to see the cafeteria built in 2020. The ministry has a really good start with several churches who have begun the planning and fundraising efforts. We do need many more to join in!

Those of you who have served with us over the years knows the importance of this facility to provide wholesome meals year round.

Many times we have fed the families and homeless outside even in winter. With temps below 20 degrees, families have waited in line to have a hot meal, which gets cold quick!

If you would be interested in helping with fundraising in your area and with your church please email us for more information.

Partners and friends if you would like to give to the cafeteria project you can give for one complete square foot including appliances. You will be recognized on a beautiful plaque attached to the new building! It will consist of a basement, bathrooms and full kitchen and will seat 250. Give a square foot for 350.00. We love and appreciate you. All that has been accomplished has been because of you and the Lord. This cafeteria will feed thousands for years to come!
