

VOICE IN THE WILDERNESS

FEBRUARY 2020

Stories from the Pine Ridge Indian Reservation

HEART NOTES

A t-shirt got my attention this winter one of the team members was wearing. I have thought nothing else all winter. It really impacted my journey in ways that brought me back to my calling. **DREAM WITHOUT FEAR.** You see, even though many say I have amazing faith, I struggle with fear. Fear of rejection, fear of poverty, fear of disappointing my wonderful friends, partners and most important ..The Lord.

The Circle of Love, as well as so many other accomplishments I have dreamed of fulfilling became too scary. I started to fear and dropped the expectations of ever seeing this land ,the Lord gave so graciously and trusting, be all that it can be to bring the love and hope to the Lakota children we always speak of. It takes a tremendous amount of money to begin to build the children's shelter. I started taking the whole responsibility on myself and started to fear. The fear became my motivation to tell myself it would never happen. Instead of giving it to the Lord my thinking was it was too big even for Him.

A winter of a tearing soul search brought me to my knees. Lord I will begin again, I will take up the cross and believe all the resources needed will make its way to this barren land. I will put on my armor and begin again. Love you ~~Lori

This is a project, we pray that you will come on board to help complete! So we are printing it again! Thank you!

Indoor Cafeteria is vital at the Dream Center. Since 2008 we have fed the children and families outside at our little pavilion.

Feeding hundreds of children in the summer rains, winds and winter storms have been challenging.

Our hope is many will come on board this project to see the cafeteria built in 2020. The ministry has a really good start with several churches who have begun the planning and fundraising efforts. We do need many more to join in! Those of you who have served with us over the years knows the importance of this facility to provide wholesome meals year round.

Many times we have fed the families and homeless outside even in winter. With temps below 20 degrees, families have waited in line to have a hot meal, which gets cold quick!

If you would be interested in helping with fundraising in your area and with your church please email us for more information.

Partners and friends if you would like to give to the cafeteria project you can give for one complete square foot including appliances. You will be recognized on a beautiful plaque attached to the new building! It will consist of a basement, bathrooms and full kitchen and will seat 250. Give a completed square foot for 350.00.

We love and appreciate you.

All that has been accomplished has been because of your support and the Lord's help!

The cafeteria will feed thousands for years to come!

God's Blessings to all of you!

COLD!
