

# VOICE IN THE WILDERNESS

MARCH 2020

## Stories from the Pine Ridge Indian Reservation

### Update on COVID-19 on the Pine Ridge Reservation

Let us begin by expressing our gratitude for all of you. We are in constant prayer for each of you and your families for the Lord's grace, mercy and protection in this day and the days ahead. We face troubling days as this virus spreads anxiety that things won't be the same again. Our hope is each of you draw closer to your families and Jesus during this time for He is faithful to bring comfort and healing, protection and calm to all of us. He is in control and no harm will befall your household. "Be still and see the salvation of the Lord." Jobs lost, businesses and churches shut down....we are all facing things we have never had to experience. On a brighter note the thought.."the Church has left the building" is exciting and needed so desperately! We pray that the church can step up, not be fearful and speak bold the Gospel Message. With fear taking over our nation like never before, the message we can bring as Christians and the Hope that Jesus offers is more valuable than any government can offer. The reservation does not have the testing that the other parts of the country do have. The Tribe has also gone into lockdown. The native families are more at risk due to lack of proper health care as well as proper hygiene due to lack of supplies. Wings As Eagles is currently working on supplying relief to the many, many calls from families we receive daily.. from the tribe needing to place homeless to grandmothers with 14 children needing food and supplies. Staffing right at the moment is on shutdown at the ministry and moving around due to Tribal restrictions is challenging. We are hoping to make arrangements with stores, supply companies and other avenues for the ministry to continue to bring the families in vital need help. We are not a huge staffed, and huge funded ministry but by the Lord's help have accomplished mighty things. We will all get through this together! Love you!

Footsteps of our Month!

Potato Creek

Dream Center

Sweet teens!

**This is a project, we pray that you will come on board to help complete! So we are printing it once again! Thank you!**

**Indoor Cafeteria** is vital at the Dream Center. Since 2008 we have fed the children and families outside at our little pavilion.

Feeding hundreds of children in the summer rains, winds and winter storms have been challenging.

Our hope is many will come on board this project to see the cafeteria built in 2020. The ministry has a really good start with several churches who have begun the planning and fundraising efforts. We do need many more to join in!

Those of you who have served with us over the years knows the importance of this facility to provide wholesome meals year round.

Many times we have fed the families and homeless outside even in winter. With temps below 20 degrees, families have waited in line to have a hot meal, which gets cold quick!

If you would be interested in helping with fundraising in your area and with your church please email us for more information.

Partners and friends if you would like to give to the cafeteria project you can give for one complete square foot including appliances. You will be recognized on a beautiful plaque attached to the new building! It will consist of a basement, bathrooms and full kitchen and will seat 250. Give a completed square foot for 350.00.

We love and appreciate you.

All that has been accomplished has been because of your support and the Lord's help!

The cafeteria will feed thousands for years to come!

Love you!

**Sweet children, so hungry!  
Currently our only means to feed  
them is outdoors.**
