# MEAT AND CHEESE BOXES

We received a call from World Vision in August to provide fresh meat and cheese additional to the shipments of fruits and veggies. What a miracle! We have received 9 shipments for this month. The native families are amazed at how much support they have received and we are constantly getting reports of how much this has helped the families, children and elders of the tribe. When we stand firm in our faith and even if it takes years and years, God is faithful to provide to bring blessings to others. The Lord never ceases to amaze His mighty goodness and mercy.

## INDOOR CAFETERIA UPDATE:

We want to thank all of you beautiful partners who have given for the cafeteria. We are encouraged and excited to see the love from all of you for these children to eat indoors! To give a quick update on totals received for the cafeteria is 23,250.00!!! We have a bit of ways to go but we are on our way! Our goal is 185,000, by spring! We remain in constant hope that we will reach the goals and begin the dream of bringing more and more children to safety and Jesus through your giving and love. The Circle of Love, many of you know, we operate on a smaller scale than the goals we have set. We provide housing and feed the youth on each case for an emergency shelter crisis. We believe the children's home will be built on the Dream Center property one day soon, keep praying!! Our goal is to continue our fundraising efforts to bring the awareness of the plight of the native children as soon as we are all able to put this virus behind us. We are grateful you for purchasing a square foot or many square feet!

## DREAM CENTER CHRISTMAS

## DECEMBER 2020

The ministry will be doing a new thing due to COVID-19 because Christmas must go on this year!! We will begin like each year asking for your Dream Box gift to be mailed to us by Dec. 9<sup>th</sup>. The event will be Dec. 10<sup>th</sup>-12<sup>th</sup>. We will have a drive in Dream Center Christmas with Christmas caroling, lights, Santa and candy bags for the children all from their cars at the Dream Center The tribe is all good with this and it will be a blast. We will still need children's ages 1 year to 17 years old, along with seniors as well. It may not be the same but together we make a magical Christmas for the children. If your church can get involved this year it would be a great blessing to have as many gifts as possible. The cars will be lined up with children for miles!

Walmart and Target cards are also welcomed! You may send baked goods, candy and all the goodies and gifts by **USPS to Wings As Eagles Ministries, PO Box 207, Caputa, SD 57725**. Your financial gift is always a blessing.
