

VOICE IN THE WILDERNESS

GOD PROVIDES

Wings As Eagles Ministries has been awarded Phase 5 of the "Farmers to Families food program. We are excited to have been chosen since last April to bring COVID relief for these precious families.

RELIEF for the homeless children. Tribal Child Protection Services picks up toys, diapers and food from the ministry!

Winds blowing 90 miles and hour one day, I asked the Lord, what now? We have all experienced a very challenging past year and it seems to remain the same for this year as we all forge our way on this journey. God is still present, always and forever. We have had to totally more than ever before (or a lot like to the beginning) to trust Him with our whole heart and soul. As I type this it is -30 degrees and our outdoor bible studies are again, challenging at best. We love each of you and pray for you everyday. This year we witnessed 26 lives totally surrender to Jesus through our participation in "Farmers to Families" and being there in the midst of the storm. Thank you for sending us and allowing this ministry to flourish. God Bless you! ~~Lori

During 2020, even with all the troubles that were faced, the ministry experienced wonderful growth with tribal relations on four reservations. Pine Ridge Reservation, SD, Wind River Reservation, WY, Rosebud Reservation, SD, and Standing Rock Reservation, ND. Yes!.. we did get around this year and saw the amazing miracles Jesus provided. Families renewed hope and faith that in the midst of their trials God came and opened the windows of Heaven with good gifts. Respect was mutual as we worked closely all year with tribal Emergency Managements and their crews. Crews were appointed at each reservation ministry hub for a smooth distribution to those in need. We appreciate all of your giving to allow this project to become as big as it did and to see even tribal leaders turn to God and give thanks. 148 shipments of fresh food, 86 shipments of furniture, PPE equipment and supplies were given by the ministry in 2020. Teens who could not gather, were encouraged, and stayed in touch through online communication. As much as we would love to get back to normal, as we all would, we have great plans for spring and summer. Outdoor, drive-in worship services at the Dream Center and outdoor bible studies, along with A NEW CAFETERIA!
