

# VOICE IN THE WILDERNESS

Summer is about upon us, and PRAISE JESUS, we will have a summer this year! It may look a little different, but the season will be a good one. We will be going into six communities each day during the week to bring lunch to the children and activity packets filled with goodies. The tribe is not wanting us to bus the children this summer to the Dream Center but we are allowed to go to them!!! We are thankful if your team can serve!

## LOVE THE SMILES

The children have not returned to school on the reservations. The ministry will go forward focusing on the children bringing them lunch, hugs, smiles and love. It's been super hard for these children due to the extreme cold and isolation.

Teams are needed this summer to help us reach six communities of children with the Gospel message, activities and a meal. We also have planned outdoor worship events at the Dream Center. Lots of inside work needed for painting, tiling and remodeling. Amazing way for skilled labor and work teams to join in. Calling all who wants the opportunity to serve!!!

## HEART NOTES:

May the "JOY OF THE LORD BE YOUR STRENGTH". We pray each day for all our partners and friends. Looking back on this past year we know that the Lord has guided, blessed, and directed the path of this ministry into a new season of strength, endurance, longsuffering and health. We pray also all these things for you and your families. We must endure, we must have faith and we must spread the Good News! Its seasons like these, which we are in, that gives us the determination to dig in, stay grounded, stay sane and pray, give, love and show Christ to the nation! We are not ...of this world... nor the things that are in this world. The world will pass away and the only thing that remains is Christ. The promise of a new life a life that will surpass any and all of the sorrows, suffering and hatred we have endured.....if we believe. Love you! ~~~Lori
