

VOICE IN THE WILDERNESS

Wings As Eagles provided much needed new furniture and household items this month to families who incurred house fires, Extreme heat has hit our area with many days over 100 degrees. Wildfires burned and homes were affected on the reservations. Thank you for the continued opportunities, because of your support, to show Jesus.

It has been a whirlwind of outreach, shipments arriving with resources, giving, and God's Word as things begin to open up on the reservation. We are still under border patrol but able to move around much more easier, PTL!

NEW WEBSITE!!!

The ministry has launched its new website! Please visit and let us know what you think of our new look and pictures just for you! The months of collaboration to bring you information on our ministry brought a great website to our partners and friends. We hope you like it. We will keep you updated as much as possible on all the happenings and accomplishments as we move into a new normal at the reservation.

Storms hit the Dream Center

RV gets tossed on top of the kitchen in a straight-line wind that hit the Dream Center.

PRAY FOR THE MINISTRY THAT THE LORD WILL PROVIDE TO BEGIN REPAIRS OF WINDOWS, GUTTER, PART OF A TORN ROOF ON THE FELLOWSHIP BUILDING AND REPLACE THE RV FOR OUR COOKS!

DREAM NEWS!!!!

So many challenges and great things happened the past few months. Busier than ever with the work to bring us back to a better normal and with all the shipments the Lord has sent we have been super, super busy....

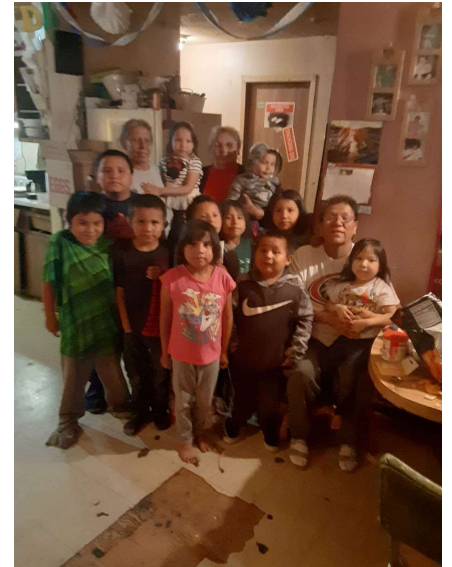

A scripture comes to mind in Job, that describes the incredible thing that happened just this week as I write this newsletter. After Job's days of severe trials, the Lord blessed his latter days more than his beginning. Job 42:12... **Now the Lord blessed the latter days of Job more than his beginning.** We were contacted by the Northern Arapaho Tribe, on the Wind River Reservation, WY, where the ministry began in 1995. They asked if they could come to the Dream Center to have a meeting with us to discuss a matter. They traveled 8 hours and visited on June 18th, which will forever be a special day to me. The Northern Arapaho Tribe has offered to gift deeded land to the Wings As Eagles Ministries, after 26 years!!!! It was such an honor, the dream I have had since leaving the Wind River Reservation in 2002, was to always have a Dream Center for the Northern Arapaho and Shoshoni children someday.

We will need lots of help for the cafeteria and this new opportunity! The Lord has blessed our trials, He has blessed indeed. More to come...follow us on facebook, love you, Lori

have begun!
Thank you for
all who sent
activity fun stuff
for the children!**

CAFETERIA UPDATE: The struggle is real to be able to get the teams and help needed to break ground this summer on the cafeteria. We have rescheduled ground breaking for 2022. We have encountered a huge change in lumber and metal building costs. Fundraising is on going to see this vital need completed! We continue to seek skilled laborers willing to come.. While everyone is disappointed this summer, we will keep our eyes on Jesus and continue to seek the funding for Phase 2, as we did have the funding for Phase 1, the foundation and the metal building, until costs skyrocketed! (increased by 9,342.00, on the same metal building kit).

CONSTRUCTION TEAMS NEEDED!

May the Lord keep you all healthy and safe, we pray for each of you daily. Never will we bend, never will we faint, never will we be hopeless or fearful! We serve a big God who knew from the beginning the challenges we would face, all of us! Love you!
