

# VOICE IN THE WILDERNESS

**AUGUST 2021**

## A RECENT SUCCESS

Praise the Lord! Each week shipments of food, household items, new furniture and many other resources for the native families arrive at Wings As Eagles Ministries. We continue to bring life saving goods to bless the Lakota, Northern Arapaho, and Shoshone Tribes on three reservations. We have witnessed a harvest of souls through giving! Many have come to see God's goodness and opening their hearts to His Word. Thank you!

*"For I was hungry, and you gave me something to eat, I was thirsty and you gave me something to drink" Matthew 25:35*

*A summer of teaching the little children that Jesus is always there and loves them. Picnics, games, skits, scriptures and love all summer long. Thank you!*

The ministry continues through the pandemic with protocols and new mandates, seems like another challenge always around the corner! We press forward seeing as many children and families as possible, praying and worshipping. Please pray for the ministry, with so many things happening and so many places to be at one time!

It seems this year once again went by fast, and Christmas is coming closer. Please see the new flyer on the back of the newsletter for your help in giving gifts this year. We will be giving to the Northern Arapaho children this Christmas as well as the Lakota children. We do need teams who would like to work on the Wind River Reservation this Christmas as well. Team dates are Dec. 8<sup>th</sup>-12<sup>th</sup>. Contact us if interested! God Bless you all!

*This little boy in the village of Evergreen was given a duffle bag full of goodies, children's bible, games, snacks, and a blanket. It was over 100 degrees this day and he wrapped himself in the blanket. He was so happy.*
