

VOICE IN THE WILDERNESS

Spending time in the streets with the children is so important, going where they are letting them know they are not forgotten and they are loved. We appreciate your continued prayers and gifts to allow this ministry to go where they are!

World Vision has continued its partnership with Wings As Eagles Ministries. This month we continued to be busy, busy on the Wind River Reservation, Rosebud Reservation and Wind River Reservation providing relief shipments to the native families and the homeless.

Hopefully October will bring a little cooler temps! September was still so hot with over 90 degrees and lots of smoke from the western fires. Most of the summer we have been in a Red Alert for extremely dry conditions which effects the area in which the Dream Center is located. The wind is high which creates a scary situation... NO FEAR!! says the Lord!! Would you pray for the Dream Center and the ministry as you pray for the native children and families for protection and safety from the elements we face.

Feeding the children

SMILES AND WORSHIP GO TOGETHER!

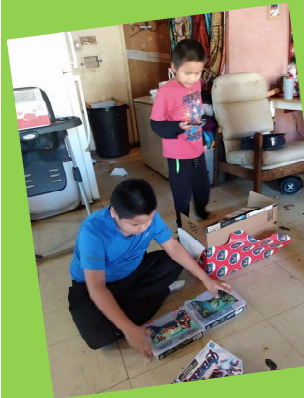

Love the sounds of worship at the Dream Center!

Christmas is coming! Last month we sent the new flyer for the Christmas Dream Boxes. We are so thankful to have the opportunity to have an event on the Wind River Reservation this year as well. So...lots of gifts are needed. Last year we had a drive-by only on the Pine Ridge Reservation, this year we are going bigger!

We hope you all will join us in giving gifts to as many Lakota and Northern Arapaho child we can reach!!

You may your gift in bulk and we will wrap the gift for you. If you would like to send a box of toys of many items or larger items we will be happy to receive it!

Please visit our website at www.waeministries.com and you can print the flyer from the Get Involved drop down menu. We appreciate you and hope to have a big Christmas this year! Thank you!

CAFETERIA UPDATE: We have rescheduled ground breaking for 2022. We have encountered a huge change in lumber and metal building costs. Fundraising is on- going to see this vital need completed! We continue to seek skilled laborers willing to serve. We will keep our eyes on Jesus and continue to seek the funding for Phase 2, as we hope the prices will decrease for Phase 1, the foundation and the metal building. Costs have skyrocketed for building materials! (Increased by \$9,342.00, on the same metal building kit). To those who have given for this inside feeding program, we are grateful and thank you so much!
