

VOICE IN THE WILDERNESS

October 2021

THANK YOU FOR ALL YOUR GIVING!

We are grateful for the gifts, financial gifts, cards, and letters of encouragement. It has been a few years of craziness. The support for the ministry has been wonderful, and through that support we have witnessed the work of Jesus in a supernatural way during all of this, which we celebrate! The Victory is His always!! Going forward we are making plans to breakground on the cafeteria, the Lord willing and with faith the costs will come down, in the spring/summer 2022. Stay with us, pray with us and keep the faith! Love you!

Pastor Gary leading worship at the Dream Center

SPRING/SUMMER 2022

It's not too early to plan with your church, organization or family to come serve with us next year. We are hoping and truly praying for skilled laborers to help with the construction of the cafeteria as well as outreach and discipleship training. Please pray about bringing a team to assist and jump start some new programs for Kids Events, post pandemic.

ELECTRIC HEATERS NEEDED for the elderly and children. If you would like to give for this, we would appreciate it very much.

Baked Goods needed! If you and your church group, family and friends would like to bake goodies for the Seniors that would be awesome! Also **candy in large quantities are needed** as well. We are going to provide for Wind River Reservation and Pine Ridge Reservation this year! Please have all packages of goodies arrive by December 10th. Thank you!

Please visit www.waeministries.com and go to GET INVOLVED to the drop down menu to Christmas Dream Boxes. You can print the Christmas Flyer and spread them around! 😊

With shipping costs rising, please feel free to send Target or Walmart gift cards for the Christmas Dream Boxes. We appreciate you very much, we will be happy to do the shopping locally. Thank you!
