

# VOICE IN THE WILDERNESS

## TEAMS NEEDED

It is exciting to have a spring and summer season of outreach and loving on the children and families coming up. If you are interested in joining our Dream Center Team, we would love to hear from you!

After two years of limited outreach and being with the children daily, we are praying for a tremendous movement of those mountains! We have hope that this will also begin the vital projects at the Dream Center that need to be accomplished. We need the help, look forward to hearing from you!

## 2021 RECAP

*178 total shipments of fresh food to four reservations includes 2020.*

*73,000 families served.*

*80 children heard the Gospel.*

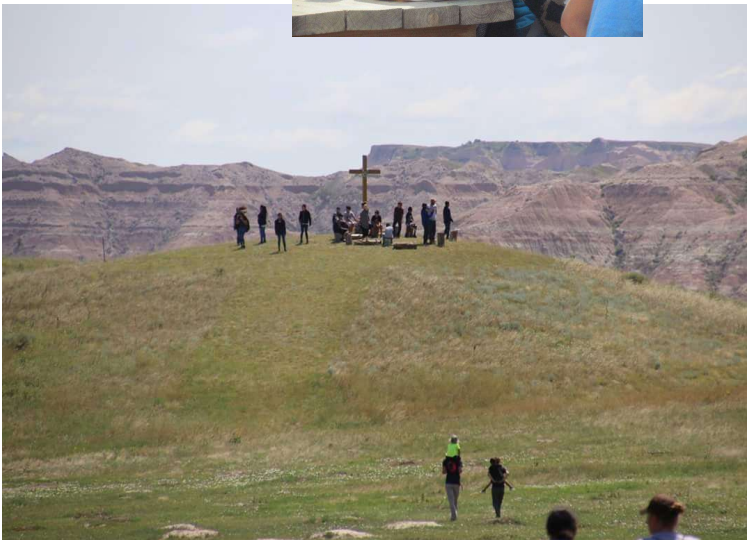

*3,330 gifts to seniors and children for Christmas.*

*AND so much more, thank you friends.....Lots of love given!*

As we venture into 2022, we ask for your prayers. It sure has been a difficult few years, for all of us, but also enlighten by the faith and works of the Gospel that continues to shine through. God has been so faithful in all He provides and all He is to us. We pray that you stay in health and prosper in all things for God is good and see's us through all things. We personally want to thank all of the ministry partners that gives year after year. Also those who are new to the ministry and by faith those we don't know that are coming this year, thank you!!!!

We pray that you will continue to travel this year alongside of us, because without you, those God has called to stand and support this ministry, we could not raise our hands. We have lost a few partners this year who have passed on, and though we are heartbroken, the great men of God that passed are in Glory, with Jesus.

Everyday we wake up, there is a purpose. Let that purpose be helping someone to know the Love of Jesus and His death on the cross and what that means. We live in dangerous times and the only answer is Jesus. Be a man or woman of purpose. It will mean life or death.... Love you!

**CAFETERIA UPDATE:** Look at these sweet faces and all we have accomplished with outdoor eating facilities all these years! Looking forward to giving hot meals when its -30 below too! Fund raising is on-going to see this vital need completed! We continue to seek skilled laborers willing to serve. We will keep our eyes on Jesus and continue to seek the funding for Phase 2, as we hope the prices will decrease for Phase 1, for the foundation and the metal building. Costs have skyrocketed for building materials! (Increased by \$9,600.00, on the same metal building kit). To those who have given for this inside feeding program, we are grateful and thank you so much! If you are interested in giving to this ongoing project for 2022, please go to [www.waeministries.com](http://www.waeministries.com) to give online, or by check to our address below. Love you all, thank you so much! We pray for each of you daily, God is with you and for you,
