

VOICE IN THE WILDERNESS

SEPTEMBER/OCTOBER 2022

Dream Center love

Traveling far to get where they are. The village of Allen.

Wrapping up our summer and early fall programs, has brought reflection. It has been amazing to see all the progress with the children even during the persecution. We must be doing something right to sustain the brutal attacks the devil can muster against the work of the Holy Spirit. We are in the toughest battle of good vs evil. May we all stand in these battles and get stronger because of them. "No weapon formed against us will prosper." We will move forward in His strength and see the salvation of the Lord! Thank you for staying with us, we need you more than ever! Love you!

When it's sunny, you need your cool shades
