

VOICE IN THE WILDERNESS

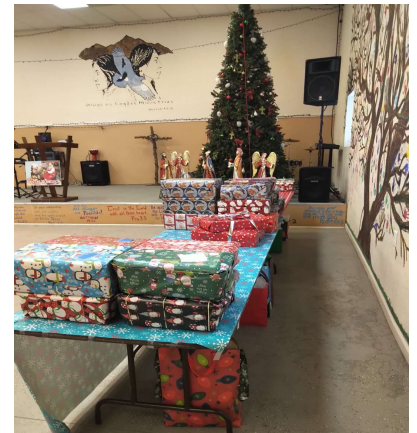

DECEMBER 2022

Its beginning to look like a Dream Center

Christmas!

A great staff this year! Loving and fun!

Merry Christmas and Happy New Year from all of us at Wings As Eagles Ministries

May you and your family receive all the blessings of our Lord and Savior this season! We pray for all of you to have a safe, prosperous

and healthy New Year. Thank you for all you do for Christ, and all your gifts of giving. Thank you for staying with us on this miraculous journey that could not continue without your support and hope to see you next year. We are thankful for each and everyone of you. God Bless you with health, peace and joy in this New Year of our Lord! Love you!

Gifts are starting to arrive and gift cards. We have done a lot of shopping! There is still time to send gift cards or a financial end of the year blessing. We need your help to reach all the children we can this season of giving! Love you all!

Dream Center Christmas!

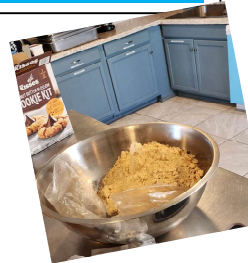

We need your help! More gifts are needed. A huge thank you to all who have sent gifts, financial gifts and gift cards and baked goods! We appreciate you so much!

Due to the high costs of postage and well..everything this year!.. the ministry can get discounts and tax-exemptions on toy purchases. If you could help financially for gifts this year if you are unable to send, it would be a blessing to be able to give a gift to as many as possible! God Bless you! Thank you!

The girls are in the kitchen at the Dream Center baking up cookies for the children!!

Churches sending and dropping off gifts! Thank you, Lord for all of them!

The Tabernacle Church, Brookings, South Dakota.
