## Cafeteria Project 2023

Greetings to ministry friends and partners! Going forward in 2023 we are stepping out in faith to continue to fundraise for our cafeteria project. It is a vital part of the ministry to feed the children hot meals and families in time of great distress indoors, as currently it is outdoors. We pray and hope as we continue to bring this project back to the forefront you will assist in spreading the word! Because of the high price of building materials and labor cost, we put this project on hold for a bit to evaluate when we could at the very least begin the shell of the building.

Foundation, metal structure and plumbing and electrical. That first stage has gone up considerable from what we originally were quoted through the estimate. We are grateful to all who have given to this super big project, thank you! As of today costs, \$122,000.00 is need for a completion. We can do all things through Christ who strengthens us! Pray continually for the Lord to bring many who have the means to bless big!

**Highlights of 2022!** God is so good! Thankful for all the opportunities 2022 gave to the ministry and its partners to be a blessing to so many hurting families.

Here are some highlights of what we can and did accomplish together in 2022!

Employ 7 Lakota young adults!

57 Shipments to three reservations of food, household items, vital heating and cooling needs, furniture, medical item and so much more.

13 Kids events teaching the children about Jesus, love, discipline, dangers of drugs, gangs and alcohol through God's Word.

Daily helps and guidance to families and teens through worship and prayer gatherings, wakes, hospital visits, and sheltering homeless youth. Fed 382 families, 1133 children, hot meals. Christmas gifts and baked goods to 625 families. God Bless you for your giving!

I am thankful for your hard work and for your heart. Your hard work and dedication has inspired me to work hard not only on this mission trip but also on future trips. Thank you for this opportunity. May He continue giving you strength for the kingdom work you are doing. ~~Liana S.

*"Let the little children come to me, and do not hinder them; for it is to those who are childlike that the Kingdom of the Heavens belongs."*

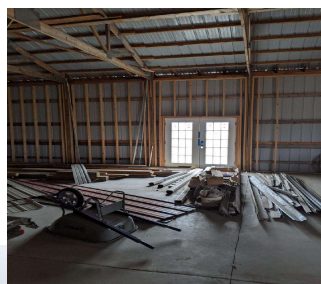

Matthew 19 v14

**Dream Center prayer and worship gathering. Hope and Love come from learning about the Lord who created us!**

With so many distractions today, we sometimes forget about the ongoing vital priority for Kingdom work. Priorities are faded, life is busy, confusion abounds, and love is growing cold in today's world. We who are born again, living in freedom through Christ Jesus, are not to conform to this world.

We as a ministry try not to be overwhelmed with the costs, labor, and despair of daily life on the reservations. We do ask for your prayers for health and stamina in longsuffering in His work. We love you all and pray daily for each of you. May the Lord speak wisdom each day into your life to obtain His riches of abundance.

**That time of year! Seeking Teams for our 2023 Spring and Summer months.**

Construction teams and outreach teams. If you are interested in serving, this is a great opportunity! The pictures above are of the unfinished fellowship and discipleship center. We have unfortunately been unable to obtain confirmation on construction teams to finish the building, since the COVID pandemic. Please help, if you or anyone you know that is able to assist in plumbing, framing, electrical, insulation and metal building structure keep us in mind. We appreciate you! Thank you. Email us for more info!
