What a wonderful summer, with lots of laughter and lots of Jesus! The journey continues as we seek for more people to serve, more laborers to come into the field and lend a helping hand. The Lord continues to have grace and mercy to allow us to accomplish so much! If you are interested and feel the calling of the Lord to reach out to the Lakota Nation, email us and we will certainly have a place for you, your church or organization to serve along side us. wingsaseaglesmin@earthlink.net

Love you!
