

VOICE IN THE WILDERNESS

OCTOBER 2023

Thank you! The mower is a super blessing! Years of fixing broken mowers to mow so much acreage is over! This is so much easier! We are grateful to all who sacrificed to make this happen.

Happy Thanksgiving to you and your family!

We pray and give thanks to Jesus for each of you. We hope your Thanksgiving holiday is blessed with peace, joy, and rest.

A wonderful story to tell and how blessed this ministry is to be able to experience these wonderful times when the Lord is there and reveals Himself to us, just giving us a hug to say, "I am the Great I am."

My father passed away recently on the east coast; I had not seen him in many years. I was pretty devastated thinking, like we all do there is time. I was 2,000 miles away when I received the call that he was unconscious and had a few hours left to live on this earth. I could not even speak to him. I was at the Dream Center with the children. A few days later after everyone had heard the news.

For years I have had the children say in a group loudly "I am Loved". I tell them how much their mom, dad, grandma, grandpa, aunties, uncles, Jesus, and all of us loves them...I also have been teaching them to pray for others.....well...they gathered around and laid hands on me, from the teenagers to the littlest ones all praying for me together. The sweet teen girl that led the prayer, ended the prayer with .."Jesus let Lori know she is loved." I cried like a baby; it was the sweetest words I have ever heard. For the first time in forever, I felt, yes Lord, we've made it.~~Lori

Dream Center Christmas

We encourage gift cards from Target or Walmart, due to high costs of mailing and shipping. The ministry can purchase the toys and is sales tax-exempt with the ability to get more toys! We appreciate you all so much!

Would you all pray for Andrea, she is such a sweet lady, and her two children. She lives in Manderson and just got a job in Rapid City and commutes each day from Manderson!! She is so motivated to do better!

We invite your church to come serve with us at the Dream Center next summer to pray and love these precious families, single moms, children and elders.

It's a privilege to be here and to do the Lord's work. We love you all! Happy Thanksgiving!!

I think God's trying to tell me that I have a purpose in life and that I can go further in life and do better things instead of staying on the rez and doing nothing with my life. Being on this trip made me realize a lot that each one of us can go further in life. I am very thankful to have met Lori. She gives me Hope for my future. She showed me that my hope is through Jesus who I did not know. I met so many amazing people on this trip. I actually see a future for myself, and I have hope for myself and others. ~~~a note to the ministry from a Lakota teen.

What a success story! She was airlifted to a hospital in Sioux Falls, from Pine Ridge after being taken off a hanging rope by her brother who found her not breathing and hanging in her room. She wrote this note a year later after joining Breakout at the Dream Center! She is today thriving in Indiana newly married and loving life!

This is what matters, and this is why your support is so vital! Thank you! God bless you!
