

# VOICE IN THE WILDERNESS

November/December 2023

May you be blessed this  
coming New Year with  
Love, Health and Joy!

**Its beginning to look  
like Christmas at the  
Dream Center!**

**Thank you so much  
to all those who are  
sending gift cards,  
gifts, and baked  
goods. We are very  
grateful as this year  
has been super  
challenging for all  
of us. God Bless you  
guys today and  
always!**

**Our  
Little  
Helper  
Kaleb**

The ministry had a small disaster in the conference room at the Dream Center. A heating problem made the ceiling collapse from a bad filter. So... a big fix and then some shiplap to bring a little flair! We are thankful to our partners Mark and Natalie who donated woodworking tools, saws and many great resources to the Dream Center. The tools sure came in handy! The collapse happened not too long after they traveled from Washington State all the way to bring them! God sure knew!

*Remember us in your  
year end giving. We  
pray you will stay  
with us on the  
journey in the New  
Year! Love ya!*

*always  
a time  
for  
Worship*
