

# VOICE IN THE WILDERNESS

*February 2024*

## Busy month of February!

Thank you all for giving to our warmth project for the seniors and families with children. We appreciate you! It was all Jesus to be able to give warmth to three reservations!  
Love you!

Everyone is being hit with one life challenge after another. We, here on the reservations, see firsthand the devastating struggles of meth, fentanyl, domestic violence, shootings, alcohol, hunger and crime all on the rise. We pray for each of you weekly and ask for your prayers as well. We have been diligently working and serving to show Jesus to the families on the reservations of Pine Ridge, Wind River, WY and Rosebud, SD. With your continued support we will journey on to bring life saving essentials and the Gospel to Indian Country.

**Come serve with us this summer!**  
**June and July have openings for your outreach team to bring love and hope to the Pine Ridge Reservation at the Dream Center on Pine Ridge! Email us if your able to journey this summer and bring God's love!**

**Wind River Reservation and Rosebud Reservation this month, it was super cold! We unloaded a total of 90 pallets!!**

*Through our partnership with World Vision, Seattle, we provided much needed relief through our South Dakota Relief Organization under Wings As Eagles Ministries.*

*God is so good!*

**The ministry is continuing the fundraising for the indoor cafeteria. Prices are always on the rise, so any amount you can give towards this project will give Hope to see it be completed! With building costs and capital for upkeep at the Dream Center, the list of needs is long, we continue in faith and trust the Lord with all the ministry needs. Thank you for all you do!**
