

VOICE IN THE WILDERNESS

MARCH 2024

Thank you
And God Bless you!

The year is 2024 Please pray with us that we may witness a strong revival on the Pine Ridge Reservation as we did in 2005. We were called to Pine Ridge in 2002. We remember back in 2003-2005 how we would stay in school gyms until the wee hour of the morning, worshipping and proclaim the Word of the Lord, and hundreds came giving their lives to Jesus and singing. Those were miracle “New Testament” times. Most of the Indian warriors for Christ in those days have passed. Pray that more of this new generation, on the reservations, will rise up and take the staff and carry the torch for Jesus. ~Love you!

Summer time is almost here!

Meals for the children

We have begun our capital campaign for Meals for the Children this summer. We do have many days of over 120 children to feed a hot lunch each day during the week. The cost last year for the whole summer was \$17,340.00, which includes 8 BBQ's, feeding the communities. We know this year will inch up even higher. If you are able, to give an extra gift to help us with the high costs of food, we would be grateful. We understand how many are struggling right now to make ends meet so any amount will be a blessing. We pray we will be able to continue to provide meals this year. We also have seniors and families that come to eat lunch, as many are hungry and doing without. We try and include a protein, vegetables, and fruit to make healthy meals that are satisfying and kid friendly. The kids are always hungry and most all of them want seconds!

Heart Notes

This year has begun our 29th year in Indian Country. Beginning our 29th summer introducing children to the Lord Jesus through bible studies, events, skits and whatever we could think of! Looking back, no I never, ever thought I would still be here. Still plowing the fields, in hope for one to have a new life in Christ. Yes, I just asked for one, one soul to come to the Lord in faith all those years ago. Why I am I still here? Good question, I don't know why the Lord kept me captive to

do His will. But He did, and I followed His command. I am not special, nor anyone to talk about. I don't gloat and try to give the Lord all the attention and Glory. The hidden be known, I would not in and of myself, be where I am stationed by my earthly choice. One day He will release me of this burden, one day He give me rest and maybe to start a new chapter. One day we will see all those who came to Him due to our labor. Maybe not in this life but surly the next. To Jesus each, and every one of us who believe in Him is special and unique in His eyes. We have all been given a task to do while here on earth. May you prosper in that task and be of good cheer. Love you~ Lori

The ministry is continuing the fundraising for the indoor cafeteria. Prices are always on the rise, so any amount you can give towards this project will give Hope to see it be completed! With building costs and capital for upkeep at the Dream Center, the list of needs is long, we continue in faith and trust the Lord with all the ministry needs. Thank you for all you do!
