

# VOICE IN THE WILDERNESS

APRIL 2024

Free Community BBQ's  
planned for June and  
July each week. Taking  
Jesus to the streets, as  
we continue to feed and  
clothe, bringing love and  
HOPE.

Our partnership with World Vision continues, as we have during the years of COVID, PTL!!!. Bringing much needed life essentials to four reservations! We appreciate your prayers and support getting these shipments consisting of 28-30 pallets each, to the Indian people.

**LOVE! LOVE THE KIDS!!!**  
**THEY LOVE JESUS!**

## The Time is Now

As the old saying goes, "If you don't stand for something, you'll fall for anything. One only has to look around to see that the world, including the church, has been influenced by those who would change our Biblical beliefs and exchange it for a lie.

Evil is being called good and good is now being called evil. **Romans 16: 17-19** warns us of the tactics and motives of those who would corrupt the doctrine that was first preached to us.

Christ wants us to stand against the evil one, live with liberty and set the captives free!

It can be a lonely road, but there are many who would be led Christward through our witness, speaking Truth about Jesus!

God Bless you!

## Hot meals for the children this summer!

We are still fundraising for our food budget for the summer. As cost have risen, we are still praying we can feed hundreds of children each day this summer, a hot nutritious lunch at the Dream Center. Give if you can, we would be grateful! Love you all!

Construction teams needed to finish our fellowship hall. The outside received some storm damage. Please email [wingsaseaglesmin@earthlink.net](mailto:wingsaseaglesmin@earthlink.net) if interested.

*Please keep our summer teams in your prayers, thank you.*

*The ministry is continuing the fundraising for the indoor cafeteria. Prices are always on the rise, any amount you can give towards this project will give Hope, to see it be completed! With building costs and capital for upkeep at the Dream Center, the list of needs is long, we continue in faith and trust the Lord with all the ministry needs. Thank you for all you do!*
