

# VOICE IN THE WILDERNESS

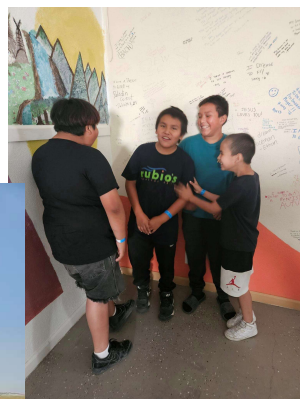

**September/October 2024**

Dream Center softball team is so fun!  
The Dream Center played the Lakota team in Porcupine and lost!! The Lakota teens and adults were amazing. All had a great time and it was uplifting for the community. God is good!

*Dream Center is full of amazing kids!*

Busy, busy, summertime fun is ending for the season. As we move into fall, the activity will switch to inside bible studies, worship and so much more to come. We ask for your prayers for the increase and for families to hunger for God's Word. Don't forget Christmas is coming to the Dream Center!!

**Walmart gift cards are welcome for our Christmas toys! Thank**
