***As we come to end of another year of ministry, there is so much to reflect upon. We have all had a year of good, not so good, and sometimes just ok. The ministry has experienced all of that! We also have had joy, love, and laughter. We can see the blessings in the midst of despair and see the love in the midst of so much hatred today. Even on the reservations times have changed, and people have changed. We continue to stand in the gap between the love and hate and pray you will stand with us. Pray for the children.***

***Thank you!***

The ministry is now in its 30<sup>th</sup> year!!! We pray you will remember us for your year end giving. We have hoped for a cafeteria by now, but the funds are just not completely there to begin. Its way more expensive than we have been able to raise. God is faithful and we know He has this ministry in the palm of His hands. Sometimes we get ahead of ourselves and think we can do what only He can do. We are praying for you and your families as we come into 2025. We hope you have a peaceful, safe and glorious Christmas of our Christ's birth celebration. May you be surrounded in love and hope for the year ahead. May you live in peace and prosperity and most importantly health and awakened spirit to the call of Jesus in all you do.

Thank you for giving to the ministry your gifts and offerings. Thank you for staying with us.

We love you!
