

# VOICE IN THE WILDERNESS

May/June 2025

## GREETINGS IN THE NAME OF JESUS!

**Supplies for the Dream Center needed if you can help with a financial donation, or gift card.**

Coffee

Paper towels

Styrofoam cups 8 oz

Styrofoam plates 250 count, a few of them.

Toilet paper

Kids snacks, granola bars, popcorn, chips, fruit cups, cookies, etc.

Juice boxes and/or lemonade.

### Activities Galore!

*Giggles, popcorn, cakes, laughter along with arts and crafts, games, skits, and outdoor fun at the Dream Center! Oh yeah, don't forget a hot lunch! It's our favorite time to show Christ's love to the children!*

Please pray for the young children and teens this summer! As well as the team members, and the ministry for safety and spiritual forces against us. Also, for the buses and vans that transport the children to be protected on their travels.

### Road to Healing

Lori's interim healing process between surgeries is progressing well. The dangerous inflammation found during the first surgery has cleared up nicely. We and her surgeon are preparing for the next step in her recovery. The second and final surgery has been scheduled for August 13th and will require another eight weeks of recovery. Pray that this next step will be safe and complete in her final leg on the "Road to Recovery." We thank everyone for their cards and letters! It has been an encouragement to us during this challenging period. We love you ~~~Gary

## Footprints in the Mud

### Patients of the Saints:

Romans chapter 3 verses 3,4,5, tell us that longsuffering produces good results in the believer's life. Tribulation produces patience and patience produces experience and experience produces hope. Verse 5 says: that even though we are going through the trials of life, the love of God is still spread out to our immediate vicinity through our testimony to those who are watching and seeking. People watch to see how we handle things. This can be crucial to our witness for Christ and our ability to preach Christ and him crucified for our sins. Admittedly, when we are dodging the fiery darts of the enemy, whatever the circumstances may be, it can be difficult to exhibit these principles to others. Will we try to win over them or win them over? Can we continue to show love when we don't feel loved? The apostle Paul says that our growth and endurance in Christ, even when we are weary, will slowly but surely win out in the end. I pray we believers can stay the course. The world needs us.

### Assistance for staffing:

The health and healing challenges we face this year, there will be a need to hire extra staff for the summer months to help facilitate our ministry programs and events as well as Dream Center maintenance. We are still working to fulfill the call of Christ but will need the extra help. Can you help us achieve this goal for the 2025 summer ministry season? Please give through the mail at PO Box 207, Caputa, SD 57725

**RELIEF Shipments** Our partnership with World Vision and Costco/Denver continues to supply three reservations with much needed life essentials 😊
