

Voice in the Wilderness

July/August 2025

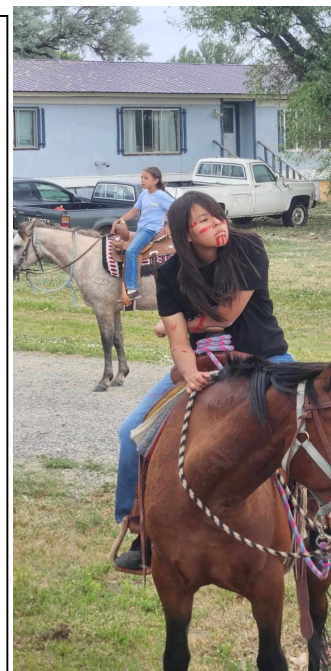

GREETINGS
FROM INDIAN
COUNTRY! JESUS
IS LORD of ALL!

Wind River Reservation, WY

Horses, learning
skills and riding have
been a great healing
tool for the troubled
youth on Wind River.

The Northern
Arapaho is where
the ministry began in
1997. Assisting the
youth through this
endeavor brings
great joy! Love these
kids!

Healing rides and beautiful
regalia dress and parades for the
youth! Drug and alcohol free,
teaching life skills for enriched
living.

*Summer is in full swing, at the
Dream Center, with many
activities for the children, while
they learn of the Love of Jesus for
them and how to grow in faith.
Thank you all for your continue
support and financial giving and
prayers! We love you!*

Footprints in the Mud

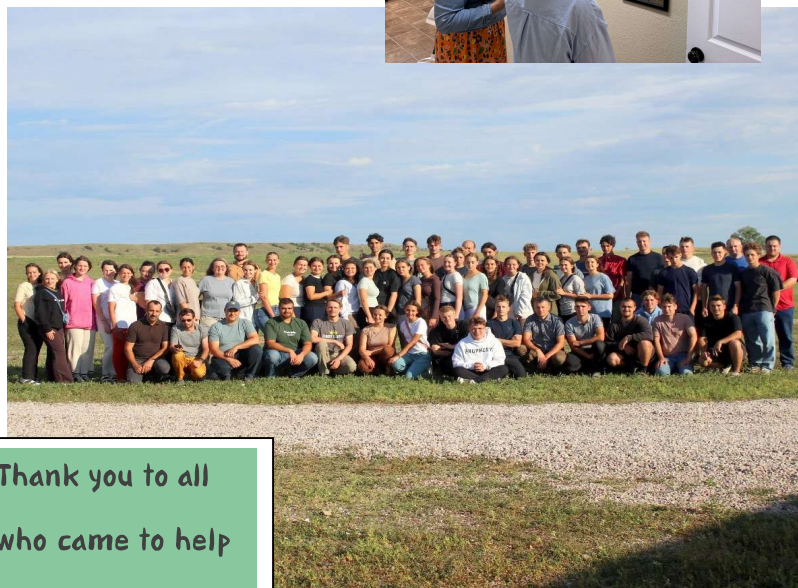

Round Two and the Last!

We are gearing up for Lori's second surgery called a reversal. She and I are looking forward to it as it will be the final stage to a complete recovery. The mending time afterward will be about eight weeks. I will be her caretaker as we face this last challenge together. She is an enduring person, and I am proud to call her my wife. I definitely got the better end of this deal! I had a team member ask me one time: How did you land this one? I just smiled and said that it was the toughest and most worthwhile thing I've ever done in my entire life! I love her dearly. So, as we embark on this healing journey, please pray for her and me, that I don't get on her nerve too severely while she is healing! Lord grant that I can be an instrument able to make this period of time as easy as possible for her!

Amen ~~~~ Gary

Such a cool story! We had a visitor from the Bureau of Indian Affairs, Montana in July. She was a precious woman of faith. As we were showing them around, she cried and said she felt the Lord's presence. She noticed the pictures of all tribes on the wall. She exclaimed, "that's my uncle"! It was so amazing, she is Blackfeet, and we served there for 8 years! Lori gifted the picture to her; she was so grateful! God is so very good!

Thank you to all
who came to help
and give of their
time and energy
when the ministry
needed it most!
We love you all and
God Bless you for
taking the
Kingdom Call!
