

Voice in the Wilderness

NOVEMBER/DECEMBER 2025

Heart Notes

What a joy to witness the children receiving the Word of God and seeing the interest in listening to the scriptures. We pray the ministry is a blessing to you and ask that you continue to pray for us as we navigate the future ministry endeavors in this coming new year. No matter what that looks like or where it takes us, we know the Lord will guide us and be with us through the journey. We pray for each of you to also be guided by His light and protection. See you next year, love you, Lori

We wish you a wonderful Christmas Season! We love you! Thank you for all the love and prayers and giving! May The Lord shine His light upon you today and every day.

In November over 230 families and 130 children were given food and supplies. God is so very good! Pray for all the families without heat. We are trying our best to bring heat to the families with children and for the seniors.

Remember us in your Year End Giving! Thank you so much!

Teecia JE

I appreciate you sm, I love you & always will. Thank you for being there my whole life, thank you caring for me.

Teecia is now 19 years old. She is one of the first little ones we met, she was 2. On my birthday she sent me this card, which meant the world to me. Sometimes you wonder who you have touched with the love of Christ and who remembers that love. Thank you, Lord, for the little things that remind us all why we are here on earth and why you love us so much. Be that love! ❤️

Wonderful time giving to the Rosebud Reservation seniors. Much needed heat given with love, received many smiles!

Christmas!!

This Christmas will look different but just as effective! The ministry will be asking for Walmart or Target cards or financial giving only for children's Christmas gifts. Due to the ongoing health challenges of no one being able to lift, as well as Gary facing another surgery, and I on my recovery journey, we ask for you to send your financial gift or gift cards to **Wings As Eagles PO Box 207, Caputa, SD 57725.**

The ministry will be helping children on a few different reservations this Christmas season, as well as Pine Ridge. God Bless you! Lori
