

# *Voice in the Wilderness*

**January/February 2026**

**Happy New Year!**

**We wish you the best  
year ever with health,  
safety and lots of joy!**

**Praying for you and  
your families!**

Thank you for giving the gift of Christmas to the Lakota children on Pine Ridge and Rosebud Reservations. It may have looked different this year, but the Lord's Hand is in all we do! The smiles and love were there. You all came through with the gift cards and gifts. **Enjoy all these pictures of the fruit that keeps multiplying!**

We love you and are so very grateful for your support and prayers.

Hi Friends,

The ministry loves to share these pictures with you. We have so many with these sweet smiles. The seniors were blessed as well with beautiful gifts from your gift cards.

We also want to take a moment to thank you for being there for us in prayer for our health challenges. It looks like I must have another surgery. Gary's next surgery, and hopefully the last, is February 13<sup>th</sup>. Mine has not been scheduled yet as of this writing. We know the Lord has something special for us when we are healed and strong again, and only He knows the reason. I do know this will pass and He is with us. *"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint."* Isaiah 40:31

In the meantime, we continue to bring love, the WORD, and life essential resources to the families in Indian County, on three reservations, with the love of Jesus!

Love you all, and praying daily for you, Lori
