

Voice in the Wilderness

MARCH/APRIL 2026

Happy March! The ministry will be taking on more territory in the near future. As we navigate our health journey, as well as some much-needed rest, we will be utilizing our relief wings! We have continued operations for relief and much needed life essentials for the families and children, with the help of our teams in Rosebud and The Northern Arapaho. God can do much more than we could ever imagine. He helps us to remember it is in His Strength that we can accomplish His work!

Love you, Lori

Fundraiser for toiletries, cleaning supplies, and fans for the summer months! Can you help to purchase these at a higher volume through our tax-exempt, which allows us to buy more? Thank you!

Making the Lord the center of all we do!

Heart Notes

By the time you read this between Gary and I we will have had 6 surgeries this past year. (March brought two final surgeries we pray.) God is with us we know, He saved my life. Through the tears, pain and all the changes we have had to make, we know He is not finished with us. I say that with much certainty.

A friend recently texted me "THE ENEMY DOES NOT QUIT BUT GOD IS ABLE!" "One day there will be no more pain, no more trials and no more of the torment just peace like we have never known!"

To that I say AMEN and AMEN! Thank you all for continuing to support the ministry through your financial giving and prayers. Also, for your prayers and helps for us personally. We love you and are so very grateful. ~Lori
