

Voice in the wilderness

May/June 2026

God is so good to give the ministry so many opportunities to continue our journey along with our friends to bring the GOOD NEWS!

PRAY FOR THE CHILDREN

The Northern Arapaho, Lakota and Blackfeet children bring so much joy! We want to be with all of them. Please keep all the native children in your prayers. As we navigate the next steps the Lord has for us, keep us in your prayers as well. The Best is Yet to come!

We have scheduled Bible teaching and skits for the kiddos on four reservations this year. God thank you and friends thank you for all your continued love and support to give these kids much needed hugs and Jesus! May the Lord's light shine upon you always. Love you!

Sponsored event on the Rosebud Reservation for seniors. What a wonderful BINGO! Love that the ministry was able to provide all the gifts for the prizes! Thank you all!

We welcome you to partake in this opportunity to continue with us. With your continued prayers to hear the Lord's voice and that it never dims in all our lives. He is worthy, He is our Father, Protector, Strength and our Biggest Supporter! Our health is improving each day; each day He gives us the strength and will to do more. It has been a long journey, and we are getting there and learning to take our health as priority. Please friends do the same. We can not help anyone if we don't help ourselves first. It just took me a long time to agree. I am so stubborn! We love you all and thank you again for all the cards and
