*“Let the little children come to me and do not hinder them, for such belongs the kingdom of heaven.” Matthew 19:13*

The Lord willing, the ministry will be going to three native communities (reservations) for much needed prayer and worship, along with relief shipments this fall. We will be heading to the Rosebud Reservation, Wind River Reservation, and the Blackfeet Reservation. The ministry is looking to purchase a food trailer to provide hot meal this winter! Will you keep this in prayer for the Lord to provide the resources, we would appreciate your prayer support ❤️ These precious families need the love of Christ and a hand up. They are the culture forgotten by society but not JESUS! Love you, thank you!

*As the ministry is taking on a different direction, we are so excited to see the Lord showing us the way!*

*With heartfelt gratitude for your patience and firm standing in the gap for the ministry, in this season of health renewal and healing, may the Lord bless you and protect you in all you do!*

### Heart Notes

In Psalms we read repeatedly how the protection of our Lord is ever present. Also, even when we ask what happened? I thought you were protecting me? He is, when we feel He let go, in the dark cloud, and in the shambles, He is there protecting us.

*I look behind me you're there,  
Then up ahead and you're there too--  
your reassuring presence, coming and going.*

*This is too much, too wonderful---*

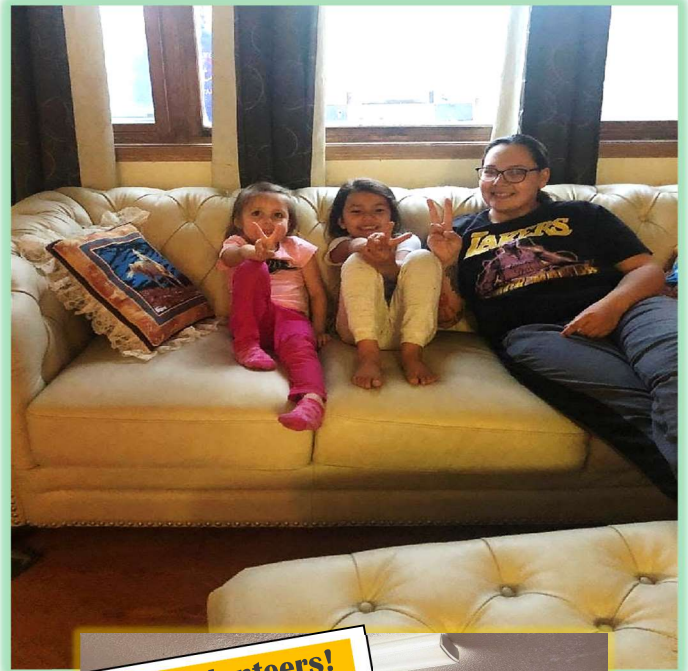

*I can't take it all in!*

Psalms 139: 5-6

Are you facing a major surgery, as I was 3 times, a loss, a family dispute, breakup, illness, all things He knows we face in this life? Rest in His arms, He is there. Even when I did not know what was happening to me, when I woke up from surgery with a colostomy with no warning, He knew and He was there. He is still here, healing me, letting me lean on His strength~ Lori

*For your Van-guard is the Lord, and your Rear-guard is the God of Israel. Isaiah 52:12*
